

SCRIPT - Kids' Plates 30 Second PSA

Every child has the right to grow up healthy and safe.

But, too many children are injured and abused everyday.

There is something you can do to help every time you drive.

Buy a Kids' Plate.

Kids' Plates are unique California license plates that include symbols like a heart or star in a personal message.

Proceeds go to support child injury and abuse prevention programs.

Help keep California's kids safe.
